Reedsdell Guest Farm has added camping for BIG GROUPS to their accommodation facilities! What can beat the view up Lundeans Nek from your sheltered camping spot under the pines close to the farmhouse & shed, nestling below the sheer cliffs of the majestic peaks of the Southern Drakensberg - an awe-inspiring landscape with many wildflowers and a variety of birdlife & small wildlife.

The ablution facilities include 10 hot water showers & 6 flush loos – ideal for accommodating big groups with a never-ending supply of hot water supplied by a 4500L donkey-system. We specialise in group events, catered where needed, in our beautiful sandstone shed built from stone that used to house the turn-of-the-century Wartrail Cheese Factory. The shed can easily seat up to 200 people comfortably.

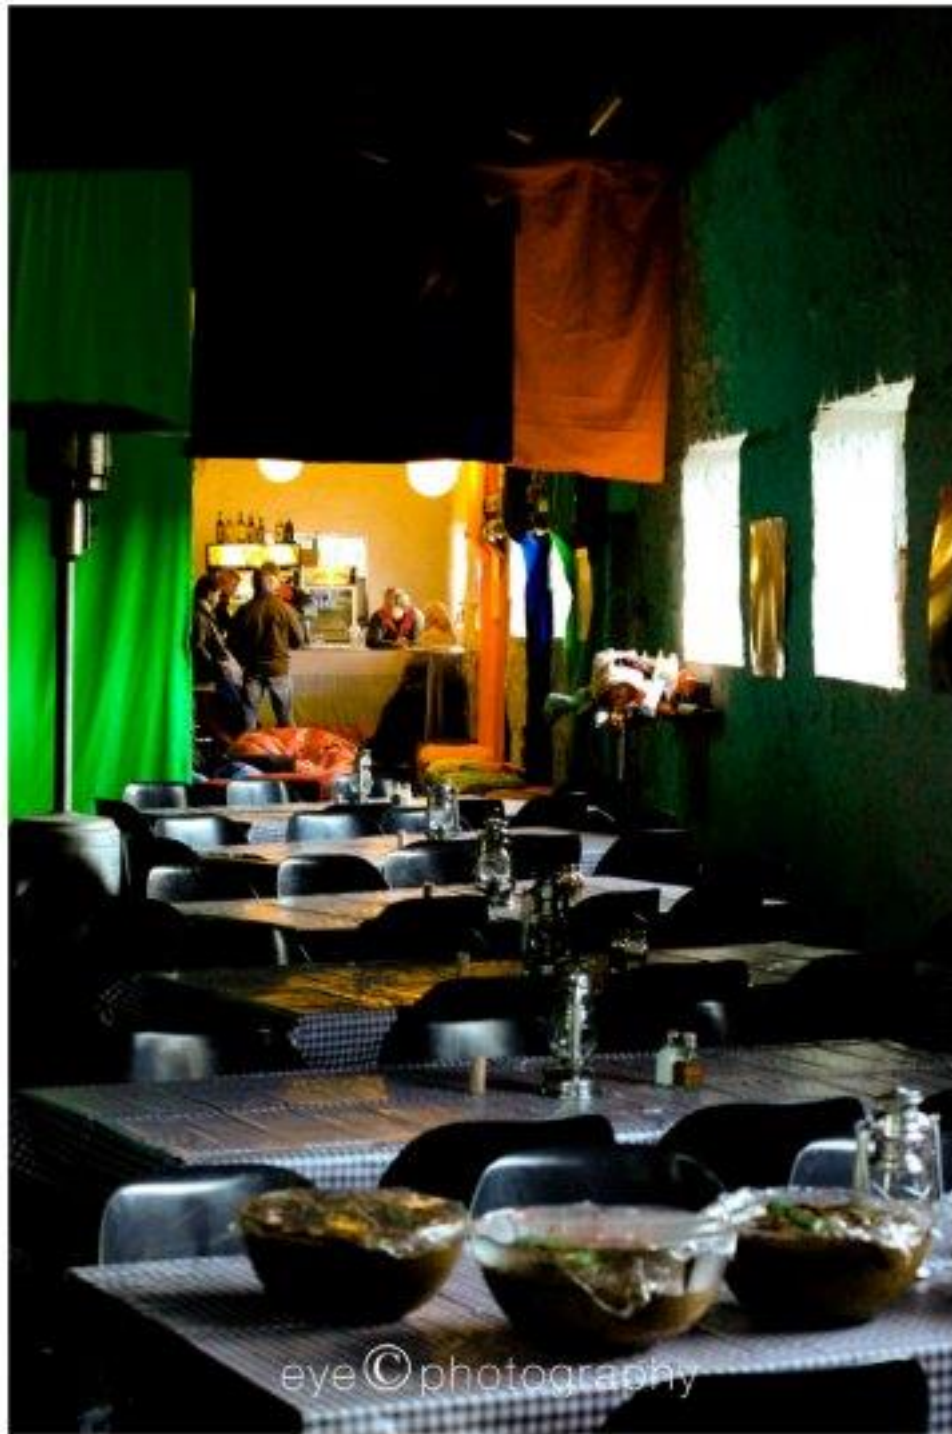

Our beautiful grounds & magnificent views invite you to just sit and relax or take a casual stroll to experience the nature around you. This challenging mountain terrain also provides exciting activities for the more adventurous spirits experience hundreds of kilometers of unhindered riding terrain or breath-taking 4x4 trails over spectacular mountain passes. Situated 300m from the Joggem river, it is ideally placed for the fly fisherman, with a variety of activities for the rest of the family to enjoy. Driving the spectacular 8-passes while based at Reedsdell is also a popular activity.
